# Warrens Point, Ireland

Sunday 21st May

This Day Clear and Beautiful Weather, Wind all round the Compass, — at 6 in the Morning the Savage Sailed for Newry, with all the Deals we had an order to Discharge, took on Shore 10 Small Spars and 4 Dozen of Norway Oars, Counted the remainder of our Cargo found it to agree with the Bills of Lading, Allen Dexter and Silvanus Briggs went to Newry, left each of them as Man in their Stead, Set the Ensign for a Custom House Boat, but She did not attend, Two Men at Caulking Spars, Coiled our Small Cable below, Stowed the fore half Deck of Wood, got the Main top gallant mast in and Cleaned the Decks fore and Aft in the evening took on Board a Cask of Water

1811

# Newry

Monday 22nd May

This Day Strong Gales at S. S. E. fore Part of the Day thick Fog, Middle Part Clear, latter Part Foggy and thick again, Employed at our Ballast, drove the Stones into the rear, and into the Eyes of her, also removed the remaining Deals into the Forepeak, Boarded all the Sand Ballast on Shore, Consisting of three Loads, At noon the Kings Officers came on Board to overhaul & gave Mr

# Finn

his Discharge, and he was Soon off Like a Stone House Fire, and I am Positive we can do very well without Finn, So ends this Day, Cold and Blustering

Thursday May 24th

This Day, the first Part of it moderate Weather and Clear, Latter Part Squally, Wind at the S. S. W. at 1 o'Clock came on a Severe Thunder Storm attended with Hale and Rain, the Stones were of an unCommon Size, in the forenoon all Hands from Stem to Stern Employed at Clearing out the Limbers and Hold, and getting out Pumps &c Rotes, in the afternoon at Sundries, Put all our Water Casks and other things below, a Danish Capt.n an old Acquaintance called on Board, Paid to Mr.n Hillar for Tobacco, ——— 0.n 5.n 0

Pd. Do. for Eggs 0.n 2.n 8

Thus Concludes this Day

Friday May 23d

Fair and Clear Fresh and Pleasant Gales, Employed Clearing out Limbers, Hold, and Pumps, at 8 A.M. Weighed and Came to Sail with a Light Breeze at N.E. Course S.S.W. Distance 3 Miles, at 12 Hazy Weather and Calm, Came to an Anchor in 7 fm. Water, Moderate and Clear at 4 P.M. Weighed and Came to Sail with a Light Breeze at N.E. Course S.S.W. Distance 3 Miles, at 8 Hazy Weather and Calm, Came to an Anchor in 7 fm. Water, Moderate and Clear at 12 P.M. Weighed and Came to Sail with a Light Breeze at N.E. Course S.S.W. # Newry Ireland

Saturday May 25th 1833

This Day Squally, Some Showers of rane, Light Winds at S.S.W.

All hands Imployed at middle Picking the Maintopsail and giving it other repairs, in the afternoon went on shore; and took of our long Boat, Saw Some of the fine Irish Women, But in fact I do not admire the place it contains about 50 houses, which are low and Built of Stone,— they have an elgant Windmill in the Center of the town which I believe is all the Church Warren Point affords,— Two Danish Briggs went into the Dock,— Thus ends the Day and Week,

# Warrens Point

Sunday May 26th 1833

This Day unsteady Weather, Sometimes Blowing a Gale, next a Stronge Calm— Sometimes Raining as if all the Bottles of heaven were unstopt, and then Clear Sun Shine, at noon the two Ships Sailed for America Viz the President of Wescapset for New York, and the Medford for Philadelph. with about 75 Passengers each, Sent 2 Letters in the Latter, one addressed to Mr Cork Brownell the other to Seth Barlow, took on board from the Barbary Capt 2 bbls of Wanted, Many of the Delicate Irish Ladies Passing to and fro,— Rec.d of Capt. Briggs as Wages— £6 11 2 6 Paid for Washing 1 Shilling, Saw this evening a rare Bow which is the first Seen for this 11 Months Past, the Crew on Shore,

# Warrens Point

First of this Day wind at South, Latter part North Middle of the Day foggy, Capt. Slater, and two Black men out to Newry, the Black men left Men in their room, Employed at Painting,— took on Shore one Long Boat of Deals, the remainder of Our Cargo, Set our Ensign for a Sweighor, at 2 Oclock the Boat came along Side, at the time the Liter was Discharged Wallace, being a little out of humor or feeling quite Big, because he could not be accomodated any better as he Said, told the Officer, he mite on Board another week for all him, left the Brig Swearing like an old Fiddle head, took in one Liter of Stone Ballt

So ends the Day

N. E. W. T. U.

This Day a Severe Storm of Rain, Wind at the Eastward, Just Completely Spoilt all our Labour Yesterday in Painting,— Spent the fore noon on Shore quite agreeable, At 2 Oclock the Pilot Boat came along Side again, the Officer appeared to be well accomodated this Day, tho at the Same time the Accommondations were no better than Yesterday, he was very polite and gentle Measured the Vessel and took off Mr.

Coffin a Side Waiter who has been with us Little more than three Weeks, A respectable young man tho Sear Sick, our Black Men

Absent

Remarks on board Brig Nancy

# Warrens Point

Remarks on board Brig Savoy

Fri 9th of this Day Moderate Weather and Cloudy latter part fresh Breezes at the South. Jorgy with some rane — Took on board 12 Tr of Enclint Irish Beef, got in Order for Battening, but the rest put us off, the Painter finished the Cabbins and gone, Some Young men called on Board to view our Accomodations, All hands Imployed at mending Sails finished one Topsail and the Main Top Sail just at 8 Pt took in a Leter of Stone Ballace, which according to my Judgement makes in Aull about 65 Tons, So ends the Day,

Friday May 9th 1811

Remarks on board Brig Savoy

Sett Newry Barlow

This Day Shifty weather Morning and evening rainy, Middle of the Day Cloudy and Thick, no Weather for Painting Imployed at our Old Sails finished, One Foretopmast Staysail, Foretopgallantsail, And began the Jib Also Fitted a new Bobstay and Set it up, The Captn on board at noon for a few Moments, A Liverpool Packet arrived full of Passengers, Dull times Lent Mr Millar 0 t. 5 s. 10 d. Irish Money D.

Remarks on board Brig Nancy 1811

Remarks by J. Barlow 1811

Sunday June 1st

This Strong Gales at S. W. and Dirty Squally Showers of Rain, Said the Starboard Bends and Wayle with Oil Tar and Lamp Black, Began to Boot Top with white Lead but Blowing fresh was obliged to Stop, — Painted the inside of the Quarter Boards &c — Rove the Fore top gallant running rigging, and many other Small Jobs, Took on board two Small Casks of Water, A Brig arrived loaded with Coals, — Ends the Day and Week, which begins a new Month June

Warrens Port D

Sunday June 2nd

This Day has been attended with Smart Squal Showers, Wind at the S. W. — Darling ford Mountains wrapt in thick and heavy Clouds, In the Morning Sent up Fore Top Gallant yards, Cleared the Decks, and Set our Coulars Fore and Aft, —

Wrote a

Letter

to Newry to Mr. Stevens Market Street Book Seller, — All on Shore from the Captain to the Cabin Boy, Some went to Newry and there to Methodist Meeting, Nite brought them all on board except 2 Thus ends the Day

Warrens Port D

1811

# Warrens Point

June 14th

This Day heavy Gale of Wind, attended by Squalls of Rain, 3 Men employed at Barring the ship at Riggin, Observed on Shore as a holly Day Several Gentleman called on board to look at the Brig One of them Said She was big enough but he was afraid She was not Strong enough, another Said he Should not be afraid to go round in her and back again to old Ireland, a third looked down the after Hatch way, and called to his Companion to come and See the Forecastle, another Said if we would give him a Bucket of Tar, he would give us Butter and Eggs for Nothing at all, for my part I Scorn'd to Speak to such Paltry Fellows, for eggs 1/. 9d. Thus ends the Day

June 15th

N, E, W, R, Y

This heavy Gale of Wind Some the N. N. W. accompanied with Floods of Rain,

Not any Work of any Consequence done on board this Day, not one of the Crew been on Shore, Thomas Hendrick came off and very politely asked for his Discharge, among the reasons assigned by him for leaveing the Brig were that he had been from home quite too long, and that he in reality did wish to See his Wife, however he did not obtain it, This Day is the King of Englands Birth Day, which is Set apart for Ebriety, this Day also Concludes 14 Months Since leaveing New York, We have Concluded to go to the Isle of May for Salt, thus ends the Day in a Dark and Stormy Nite

# Thursday June 6th

This Day quite unsteady Weather, attend with Thunder Lightning and very heavy Squalls of rane, In the forenoon Smithes Saying the Bends and Waste, also the Boatswain, at 12 the Hetty had all her Sailes hoysed to Dry, a Sudden gust of Wind came over the Mountains, parted both Cables and was comeing athwart our Bows, Slipped our Stream Cable, and Sett sterd her, In the afternoon, turned the Ballace in the hold, Hove this way and that to accommodate the Hetty,— Very heavy Showers of rane, Recd 2 Books from Newry

| | £ | s. | d. | |
|---|---|---|---|---|
| Paid | 0 | 0 | 10 | to the Carman |
| Do | 0 | 10 | 00 | Care of Shoes |

Thus ends the Day

# Friday June 7th

# Wednesday June 5th

1811

This fresh Winds and Squally weather, many Showers of rane, Wind as the Westward, In the forenoon all hands Employed in taking Water on Board from the Barbary off and Scraping off the Saint we put on before and in the rane In the After Part of the Day Boarded the Starboard Side, then gave her a heal by Shifting the Ballace to come at the other Side Painted the Stern, &c. &c.

The Cook

asked for his Discharge, but did not get it, — Sent 2 Books to Newry to be exchanged, the Sky at present Decorated with rane bows

Brig Nancy

Ireland

Saturday June 8th

This Day Squally, but a little more Wind at the S. W. — Packet Sailed for Liverpool, — in the Morning trimmed the Ballace, Shut up the Sitting Plank, filled three Casks of Water and Stowed it in the Hold, took the remainder of our empty Casks on Shore to the Coopers, also rigged another Martingill, In the afternoon repaired the Fore-sail, and bent it together with the Foretop sail Foretopmast Staysail and Jib, did some Sawing,

| | £ | s. | d. |
|---|---|---|---|
| Gave to an unfortunate Sailor — | 00 | 3 | 10 |
| Paid the major for Washing — | 00 | 1 | 03 |

So ends the Day, raining Powerfully, Light for a variety

Ireland

Sunday June 9th

This Day very heavy Gale of Wind and a little more in Comparison to Yesterday has been every Day for a Fortnight past, Sent down Top Gallant Masts, Struck the Yards, and Secured the Ship, and Sent the Men to Breakfast, Middle part Squally, at 8 Oclock Hove to, Sent down the Main Top Gallant Mast, Struck the Yard, and Secured it

## Sunday June 9th

This Day Strong gales of Wind at W, & W.W. attended with some Showers of Rain and with Some Sun Shine In the Morning Sent up the topgallant Yards. Set the ensign &c. In the afternoon went on Shore and to Methodist Meeting, the Preacher, was an Aderly Man and Spoke with a Grim Voice, his Text was from Mark 16 Ch. and 15 Vr. he Spoke Plain and Well, it is the 1st Sermon I have heard for these 26 Months past. Got on board at 11 Oclock,

| | £ | s | d |
|---|---|---|---|
| Sent Ashore | 00 | 10 | 00 |
| Spent at Meeting | 00 | 1 | 3 |
| Do at a —— | 00 | 3 | 0 |

So Concludes the Day all but one on Board

## Monday June 10th

This Day began with very heavy gales of Wind at S. by W. which brought a Considerable Sea on the ebb tide, Much Rain and Some Snow, Struck Yards and Scrambled a few odd Yard Sails, this afternoon the Wind Still went like a Cut-ter by under Bare Poles — the Mountains Completely overwhelmed in Clouds all the Day long

Silas Briggs

Still on Shore, where he must remain till the Storm abates, Saw no Boats Passing but the Kings, at noon a Ship came in under American Colours, 8 hours thus ends the Day

This Day fresh Winds and fair

Stood in for the all Night with the expectation of making two Small Islands in the Latitude of 30° 8" Longitude 16° 4' lying between Madara and Teneriffe, but however we missed them, and think of Teneriffe next.

Cloudy and thick Weather. Imployed at Sundry Jobs.
